**Summary:** Update feed. Don't need to read if you don't follow my stories.

## **1. Chapter 1**

**So**

**im making a separate story whenever I need to tell you guys something about uploading or about multiple story updates.**

**Okay so obviously with my busy working hours I can't upload to three separate stories every week so Stranger Thongs will be my main and life lessons and saying goodbye will be updated whenever I've got a bit of free time and I'm bored.**

**anytime I have an update like this I'll post it here. Sort of like twitter. I don't have twitter so this is the next thing.**

## **2. Sorry**

I am posting this weekend but it won't be Stranger Thongs. It's still a sort of smutty story though.

### **3. Chapter 3**

**okay so.**

**My account name is Mileven.**

**I have wrote Mileven smut.**

**Stranger Thongs is pretty much about Mike and Eleven's relationship BUT**

**Can someone please tell me where in the literal FUCK have I ever said Mileven would be all I ever write?**

**Some guests have said they won't follow my Stranger Thongs story anymore because I'm mixing up couples.**

**That's fine. I don't mind. I don't force you to read my shit. If you don't want to read me mixing up couples then don't click on my story.**

**Just don't decide for other people what to think about my story.**

**however if people don't want the story, please honestly tell me just so I know if there is a point of me continuing.**

## **4. Chapter 4**

I'm sorry. But for certain reasons the truth or dare story I had planned will not happen.

On the bright side you may get to see certain rules happen from 'The List'
